Corporate Unlimited Sites License		
One platform		5,745
Add one different platform		450

Documentation

All PowerComm documentation is now provided in soft copy PDF format files either via email or download from our website. This format allows us to update documentation quickly and make it easily available to you.

Available Platforms

D3 AIX
D3 SCO
D3 ProPlus
D3 Linux
D3 NT
Advanced Pick Protected Mode
Advanced Pick DOS
Advanced Pick SCO Unix v6.1
Advanced Pick AIX v6.1
Advanced Pick Native
Pick's R83 v3.1

Notes

Quoted prices are US$ and based on the number of units purchased at one time. Quantity discounts may be mixed across multiple platform versions.

All PowerComm software is provided via electronic distribution via email only. Our new pricing reflects this preferred method of distributing software and technical documentation.
